LinkedIn | GitHub | Portfolio

Informatics Management student graduating in 2027, with full-stack internship experience at Ocean Young Guards and founder of Webkeun.id. Build web applications using React, Next.js, Express.js, and PostgreSQL. Seeking a web development internship.

Work Experience

Webkeun.id **Oct 2026 – Present**

Founder & Full-stack Developer | Bandung, Indonesia

- Founded a web development service for digital wedding invitations, small business websites, company profiles, and personal portfolios.
- Launched a digital invitation product with 11 themes and 3 pricing packages; manage client consultation, development, domain setup, hosting, and launch.

Ocean Young Guards **Jan 2026 – Jul 2026**

Full-stack Developer Intern | Internship certificate

- Developed a React and Tailwind CSS website and admin dashboard for events, volunteers, coupons, and payment verification; the platform is awaiting launch.
- Built an Express.js REST API with Sequelize and PostgreSQL for enrollment, JWT authentication, document uploads, payment review, search, and pagination. Tested endpoints in Postman and collaborated through Git branches.

Selected Projects

Webkeun Digital Invitations View invitation templates

Next.js, TypeScript, Tailwind CSS, Supabase (PostgreSQL), Vercel

- Built personalized guest links, RSVP, guest wishes, and digital envelopes, with an authenticated admin dashboard for guest management, Excel import, and WhatsApp invitation sharing.
- Configured Supabase Row-Level Security (RLS) for guest data access, supporting registered guests with assigned seating and general guests.

Webkeun Business Templates View templates

- Built five Next.js and TypeScript website templates for rental, coffee, logistics, photography, and laundry businesses, including fleet filtering, rental price estimates, and WhatsApp ordering.

Organizational Experience

Informatics Management Student Association (HIMAMI) **2024 – Present**

Head of Communication and Information Division (KOMINFO)

- Led Instagram content design and activity updates; developed and maintained the association's official website.

Education

Politeknik Praktisi Bandung **Sep 2024 – Present**

Diploma (D3) in Informatics Management | Expected graduation: 2027
