LinkedIn | GitHub | Portfolio

Informatics Management student graduating in 2027, with fullstack development internship experience at Ocean Young Guards. Built web applications using React, Next.js, Express.js, and PostgreSQL, including a digital invitation platform available through Webkeun.id. Seeking a web development internship.

Work Experience

Webkeun.id **Oct 2026 – Present**

Founder & Fullstack Developer | Bandung, Indonesia

- Founded a web development service for digital wedding invitations, small business websites, company profiles, and personal portfolios.
- Launched a digital invitation product with 11 themes and 3 pricing packages; manage client consultation, development, domain and hosting setup, and launch.

Ocean Young Guards **Jan 2026 – Jul 2026**

Fullstack Developer Intern

- Developed a React and Tailwind CSS website and admin dashboard for events, volunteers, coupons, and payment verification; the platform is awaiting launch.
- Built an Express.js REST API with Sequelize and PostgreSQL for volunteer enrollment, JWT authentication, document uploads, payment proof review, search, and pagination. Tested endpoints with Postman and collaborated through Git branches.

Selected Projects

Webkeun Digital Invitation Platform View invitation templates

Next.js, TypeScript, Tailwind CSS, Supabase (PostgreSQL), Vercel

- Built personalized guest links, RSVP, guest wishes, and digital envelopes, with an authenticated admin dashboard for guest management, Excel import, and WhatsApp invitation sharing.
- Configured Supabase Row-Level Security (RLS) for guest data access, supporting registered guests with assigned seating and general guests.

Webkeun Website Templates View templates

- Built five Next.js and TypeScript website templates for rental, coffee, logistics, photography, and laundry businesses, including fleet filtering, rental price estimates, and WhatsApp ordering.

Organizational Experience

Informatics Management Student Association (HIMAMI) **2024 – Present**

Head of Communication and Information Division (KOMINFO)

- Led Instagram content design and activity updates; developed and maintained the association's official website.

Education

Politeknik Praktisi Bandung **Sep 2024 – Present**

Diploma (D3) in Informatics Management | Expected graduation: 2027
